Indoor Mini
RE700

Indoor security monitoring made simple! With a magnetic base, the Alula Indoor Mini Camera makes for a versatile and quick install, blending into any environment. Delivering High-def 720p or 1080p video, two-way audio, and clear-as-day night vision, the compact camera balances affordable cost and top-notch performance.

- 720p Video
- 111° / 135° Wide-Angle Lens
- Infrared Night Vision
- 16GB MicroSD card included
- Built-in microphone and speaker
- Built-in 2.4G Wi-Fi, 5VDC power supply

Outdoor Bullet
RE701

Your customers can watch over their property remotely with the Alula Outdoor Bullet Camera. Defend against intruders with motion-capture video and instant smart phone notifications. The microphone and speaker in the camera allows a 2-way conversation, no matter where your customers are. With its weatherproof design, the rugged housing and high-gain antenna provide unmatched options for mounting locations.

- 1080p Video
- Two-Way Audio
- Supports 2.4GHz Wi-Fi
- Infrared Night Vision
- IP66 Weatherproof rating
- 16GB MicroSD card included

Indoor 360
RE702

Give your customers instant visual control with the Alula app, panning and tilting remotely for the perfect 360° panoramic view. On movement detection, the Indoor 360 Camera automatically records a video event, delivering mobile app notifications in real time. With 2MP resolution, high-fidelity comes standard. An on-board microphone and speaker enables 2-way communications, no matter where your customers are.

- 1080p
- 360° Horizontal FOV
- Two-Way Audio
- Infrared Night Vision
- 16GB MicroSD card included
- 360° Horizontal View

Doorbell
RE703

Replaces any wired doorbell switch, relaying night and day video to a smartphone. With a vertical FOV, the 1080 HD camera captures a person's face or package in the same frame. A motion sensor triggers capture to the Alula cloud for on-demand clip recall. Live 2-way communications are controlled through the mobile app.

- 2.2mm lens, H.264/MJPEG
- Dual-stream, 3D DNR, 7.5m IR
- 16GB MicroSD card included
- Built-in microphone and speaker; PIR human detection; Infrared Night Vision
- Built-in 2.4G/5G Wi-Fi, 8V~24VAC power supply

Alula cameras include a commercial grade SD card to support hybrid storage, maximizing availability of video clips for the consumer. Alula offers a 2-year warranty on Alula branded cameras.
