

Range Extenders

No two installations are alike. For larger, more challenging installs, standard wireless range may not cut it. Extend the functional range of your Touchpads and Connect+ sensors with Alula's **repeaters**. Protect homes and businesses quickly and easily, no matter the size.

Connect+ Sensor Repeater RE620

Alula's Connect+ Sensor Repeater provides battery-backed extension of Connect+ sensors. Extending coverage ensures proper sensor signal strength, preventing costly service calls.

- Extends Range of Connect+ Wireless Sensors
- Rechargeable backup battery
- Cover and Wall Tamper
- 5-year Warranty

Touchpad Range Extender RE621

Large properties demand multiple points of interaction with the system, which can push the limits of wireless range. Extend your reach with the Touchpad Range Extender, ensuring access is available, wherever it's needed.

- Wireless Range Extension
- Single Button Enrollment
- 5-year warranty
