Video Doorbell Camera

Model: CAM-DB-JS1

Give customers a clear view of their doorstep from virtually anywhere. With Alula's Video Doorbell Camera, featuring 1080P HD video and 16 feet of night vision, customers will be able to view real-time footage and recorded clips of activity at their doorstep. It also has two way audio functionality, enabling interaction with visitors through the Alula Smart Security App.

The Video Doorbell can be used as a stand alone video surveillance system or as part of a more holistic security and automation system when paired with Alula's Connect+ or BAT-Connect. Offer customers what they need now, plus give them an option to an expandable security & automation platform in the future.
