# alula®

## Professional Smart Security

## Outdoor Bullet Camera
### Model: CAM-OD-HS2-AI

Differentiate between people, pets and vehicles with Alula's Outdoor Bullet Camera leveraging AI-based smart object recognition. It also features full 1080P HD video, motion detection, 90 feet of night vision, and the ability to view live and recorded clips. Plus with Alula's Smart Security app, you can set up notifications that will alert customers when suspicious motion activity is detected.

**alula.com/outdoor-bullet**

The Outdoor Bullet can be used as a stand alone video surveillance system or as part of a more holistic security and automation system when paired with Alula's Connect+ or BAT-Connect. Offer customers what they need now, plus give them an option to an expandable security & automation platform in the future.
